| 02-29-12 | MWH email to KDHE providing notification of repairs completed and resuming operation of Land Treatment Unit (LTU) Soil Vapor Extraction /Air Sparge (SVE/AS) System |
| 02-28-12 | MWH letter to KDHE submitting the 2011 Annual Groundwater Monitoring report |
| 02-24-12 | KDHE letter to MRP approving a temporary authorization for MRP to discontinue operation of Recovery well RW-80A |
| 02-21-12 | MWH email to KDHE providing notification of shutdown of LTU SVE/AS due to mechanical failure |
| 01/31/12 | MRP letter to KDHE requesting a temporary authorization to discontinue operation of Recovery well RW-80A |
| 01/24/12 | MWH letter to KDHE submitting Corrective Action Progress report (4 th Qtr 2011) |
| 10/19/11 | MWH letter to KDHE submitting Corrective Action Progress report (3 rd Qtr 2011) |
| 09/26/11 | KDHE letter to MRP approving the Determination of Completeness review of the RCRA Permit application |
| 09/16/11 | MWH letter to KDHE submitting a response to comments by KDHE on the Determination of Completeness review of the RCRA Permit application |
| 09/13/11 | KDHE letter to MRP transmitting comments on the Determination of Completeness review of the RCRA Permit application |
| 09-09-11 | MWH letter to KDHE submitting a technical report on Evaluation of LTU AS/SVE System |
| 09-09-11 | MWH letter to KDHE submitting a technical report on Evaluation of CSI Soil Vapor Extraction and Air Sparge System |

| | |
|----------|---|
| 07-22-11 | KDHE Checklist for review of MRP RCRA Permit Application |
| 06-10-11 | MRP letter to KDHE submitting RCRA Part A and Part B Permit Application |
| 05-06-11 | MWH Americas, Inc. (MWH) letter to KDHE submitting the Corrective Action Progress report (1 st Quarter 2011) |
| 04-25-11 | MWH submitting to KDHE the Exposure Unit Supplemental Soil Investigation report |
| 04-21-11 | MWH letter to KDHE submitting a Quarterly Groundwater Monitoring report for 180-day suspension of operations at the LTU SVE/AS system |
| 04-14-11 | KDHE letter to MRP Properties Company, LLC (MRP) approving the 2010 Annual Groundwater Monitoring report |
| 04-11-11 | MRP letter to KDHE responding to comments on the 2010 Annual Groundwater Monitoring report |
| 03-24-11 | KDHE letter to MRP providing comments on the 2010 Annual Groundwater Monitoring report |
| 03-04-11 | Lochner Engineering letter to Bureau of Water submitting response to comments to the NPDES permit renewal |
| 02-28-11 | MWH letter to KDHE submitting the 2010 Annual Groundwater Monitoring report |
| 02-10-11 | KDHE letter to MRP approving MRP's response to deficiencies noted in the 2010 Operations and Maintenance Inspection report |
| 01-26-11 | MRP letter to KDHE responding to deficiencies noted in 2010 Operations and Maintenance Inspection report |
| 01-25-11 | MRP letter to KDHE submitting the Corrective Action Progress report (4 th Quarter 2010) |
| 01-04-11 | KDHE letter to MRP approving a 180-day temporary authorization to suspend operation of the LTU SVE/AS system to test its effectiveness |
| 12-22-10 | MRP letter to KDHE submitting notification of public notice for 180-day temporary authorization request to suspend operation of the LTU SVE/AS system |
| 12-21-10 | KDHE e-mail to MRP transmitting the current mailing list for public notices |
| 12-21-10 | MRP letter to KDHE requesting a 180-day temporary authorization to suspend operation of the LTU SVE/AS system to test its effectiveness |
| 12-20-10 | KDHE Memorandum describing a telephone conference between KDHE, EPA, MRP, and their consultant discussing the CMS Work Plan and CMS report |
| 12-16-10 | MRP letter to KDHE submitting notification of mechanical failure of the LTU SVE/AS system |
| 12-07-10 | MRP e-mail to KDHE transmitting notification of the mechanical failure of the LTU SVE/AS system |

| | |
|----------|---|
| 11-01-10 | KDHE Memorandum describing a meeting at the former Total Refinery in Arkansas City between KDHE, MRP, and MWH which discussed the ongoing Supplemental Soil Investigation, Land Treatment Closure Plan, and CMS Work Plan |
| 10-29-10 | MWH letter to KDHE submitting the Corrective Action Progress report (3 rd Quarter 2010) |
| 09-28-10 | KDHE memorandum documenting the May 2009 on-site Operation and Maintenance Inspection |
| 09-24-10 | KDHE letter to MRP transmitting the 2010 Operations and Maintenance Inspection report |
| 09-08-10 | EPA letter to KDHE submitting comments on Exposure Unit Supplemental Soil Investigation Work Plan |
| 08-31-10 | MWH letter to KDHE submitting the 2010 Semiannual RCRA Groundwater Corrective Action report |
| 06-22-10 | KDHE letter to MRP approving 2009 Annual Groundwater Monitoring report |
| 06-16-10 | MWH letter to KDHE responding to comments on 2009 Annual Groundwater Monitoring report |
| 06-09-10 | KDHE letter to MRP transmitting comments on 2009 Annual Groundwater Monitoring report |
| 06-01-10 | KDHE letter to MRP transmitting comments on Exposure Unit Supplemental Soil Investigation Work Plan |
| 05-21-10 | MWH e-mail to KDHE submitting updates to public notice mailing list |
| 04-28-10 | MRP letter KDHE submitting notification of public notice for Class 1a permit modification to replace recovered product storage Tank 7132 with Tank V-7106 |
| 04-27-10 | MWH letter to KDHE submitting the Corrective Action Progress report (1 st Quarter 2010) |
| 04-23-10 | KDHE letter to MRP approving request for Class 1a permit modification for substitution of recovered product storage Tank 7132 with Tank V-7106 |
| 02-26-10 | MWH letter to KDHE transmitting the 2009 Annual Groundwater Monitoring report |
| 01-19-10 | MRP submittal of a revised "Notification of Regulated Waste Activity" form |
| 10-30-09 | MWH letter to KDHE submitting the Corrective Action Progress report (3 rd Quarter 2009) |
| 09-08-09 | KDHE e-mail regarding investigation of reported soil contamination near the former Total Refinery |
| 08-25-09 | MWH letter to KDHE submitting the 2009 Semiannual RCRA Groundwater Corrective Action report |

| | |
|----------|--|
| 07-27-09 | Butcher, Willis, and Ratliff (BWR) letter to KDHE submitting the Corrective Action Progress report (2 nd Quarter 2009) |
| 06-08-09 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 05-08-09 | MWH letter to KDHE submitting the Corrective Action Progress report (1 st Quarter 2009) |
| 04-06-09 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 03-16-09 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 02-27-09 | MRP letter to KDHE submitting the 2008 Annual Groundwater Monitoring report |
| 01-31-09 | BWR letter to KDHE submitting the Corrective Action Progress report (4th Quarter 2008) |
| 01-27-09 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 01-05-09 | MWH letter to KDHE submitting a Technical Memorandum on the results of a cone penetrometer (CPT) and rapid optical screening tool (ROST) investigation |
| 01-05-09 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 12-02-08 | MWH letter to KDHE submitting verification of groundwater gradient reversal at capture zone monitoring wells as required by an approved 180-day temporary authorization to suspend operation of Recovery Well RW-80A |
| 11-04-08 | KDHE letter to MRP approving a 180-day authorization to suspend operation of Recovery Well RW-80A |
| 11-03-08 | KDHE letter to MRP approving request for Class 1a permit modification to change facility owner name from Michigan Reutilization, LLC to MRP Properties Company, LLC |
| 10-31-08 | MWH letter KDHE submitting notification of a public notice mailing for a Class 1a permit modification to change facility owner name to MRP Properties Company, LLC |
| 10-27-08 | MWH letter to KDHE requesting a 180-day authorization to suspend operation of Recovery Well RW-80A |
| 10-24-08 | MWH letter to KDHE submitting the Corrective Action Progress report (3 rd Quarter 2008) |

| | |
|----------|---|
| 10-02-08 | Michigan Reutilization, LLC (Michigan) letter to KDHE requesting a Class 1a permit modification to change facility owner name to MRP Properties Company, LLC and submitting a revised Part A Permit application |
| 09-17-08 | MWH e-mail to KDHE submitting notification that recovery well RW-80A was shut down due to flooding of the Walnut River |
| 08-29-08 | MWH letter to KDHE submitting 2008 Semiannual RCRA Groundwater Corrective Action report |
| 08-25-08 | BWR letter to KDHE submitting Corrective Action Progress report (2nd Quarter 2008) |
| 04-21-08 | MWH letter to KDHE submitting responses to comments made by KDHE on the Five-Year Review report |
| 02-29-08 | MWH letter to KDHE submitting the 2007 Annual Groundwater Monitoring report |
| 02-15-08 | MWH letter to KDHE submitting a request and accompanying report to permanently discontinue operation of the LTU SVE-AS system |
| 09-14-07 | MWH e-mail to KDHE submitting notification of well treatment at recovery wells RW-35, RW-45, RW-55, RW-65, and RW-75 |
| 08-31-07 | MWH letter to KDHE submitting 2007 Semiannual RCRA Groundwater Corrective Action report |
| 07-31-07 | KDHE e-mail to MWH approving request to connect recovery wells RW-60 and RW-65 to a separate header pipe to increase pumping performance |
| 07-27-07 | MWH e-mail to KDHE requesting approval to connect recovery wells RW-60 and RW-65 to a separate header pipe to increase pumping performance |
| 06-29-07 | MWH letter to KDHE submitting Groundwater Recovery Well Installation report for replacement of recovery wells RW-40, RW-60, and RW-70 |
| 02-16-07 | KDHE letter to Michigan approving a request for a Class 1a permit modification to revise the Part II permit allowing KDHE to be lead agency for both Part I and Part II of the RCRA permit |
| 02-16-07 | KDHE letter to Michigan approving work plan for replacement of recovery wells RW-40, RW-60, and RW-70 |
| 02-01-07 | MWH letter to KDHE and EPA submitting notification of intent to replace recovery wells RW-40, RW-60, and RW-70 due to well fouling |
| 12-29-06 | KDHE letter to Michigan responding to comments made by Michigan Reutilization, LLC in the Five Year Review Report |
| 09-13-06 | MWH letter KDHE submitting notification of public notice for Class 1a permit modification to change facility owner name from TPI Petroleum to Michigan Reutilization, LLC |
| 09-08-06 | KDHE letter to Michigan approving a Class 1a permit modification to change facility owner name from TPI Petroleum to Michigan Reutilization, LLC. |

| | |
|----------|--|
| 08-25-06 | MWH letter to KDHE submitting the 2006 Semiannual RCRA Groundwater Corrective Action report |
| 06-30-06 | KDHE letter to EPA transmitting a draft of the Class 1a Part II permit modification that will allow KDHE to be lead agency for both Part I and Part II of the RCRA permit |
| 06-20-06 | MWH letter to KDHE submitting revised well construction logs for monitoring wells CMW-03 and CMW-04; and recovery wells RW-40 and RW-70 |
| 05-12-06 | Michigan letter to KDHE submitting a revised Part B permit application and corporate organizational chart for a Class 1a permit modification to change facility owner name |
| 04-25-06 | Michigan letter to KDHE submitting the Five Year Review Report |
| 04-18-06 | Michigan letter to KDHE and EPA requesting a Class 1a Part II permit modification that will allow KDHE to be lead agency for both Part I and Part II of the RCRA permit |
| 04-12-06 | KDHE letter to Michigan requesting a revised Part B application and Business Concern Disclosure Statement for the facility name change |
| 04-05-06 | Michigan Reutilization, LLC letter to KDHE submitting a revised Part A application to change facility owner name from TPI Petroleum (TPI) to Michigan Reutilization, LLC |
| 03-15-06 | KDHE letter to TPI approving the 2005 Annual Groundwater Monitoring report and requesting a Class 1 permit modification to change the facility owner name |
| 03-07-06 | TPI letter KDHE submitting notification of public notice for Class 1a permit modification to update the LTU closure plan |
| 03-01-06 | TPI letter to KDHE submitting the 2005 Annual Groundwater Monitoring report |
| 02-28-06 | TPI submittal of a revised "Notification of Regulated Waste Activity" form |
| 12-23-05 | KDHE letter to TPI approving request for Class 1a permit modification to update the LTU closure plan |
| 12-19-05 | TPI letter to KDHE requesting a Class 1 permit modification to update the Land Treatment Unit closure plan |
| 12-15-05 | KDHE memorandum detailing the meeting between KDHE, TPI, EPA, and consultant to review status of remediation systems and proposed permit modifications |
| 12-14-05 | TPI letter to KDHE submitting notification of public notice for withdrawal of Class II permit modification to update the Land Treatment Unit closure plan |
| 12-14-05 | TPI letter to KDHE submitting withdrawal of request for Class 2 permit modification to update the Land Treatment Unit closure plan |
| 12-07-05 | TPI letter to KDHE submitting notification of public notice for a 180-day temporary authorization to modify the frequency of soil sampling in the LTU closure plan |

| | |
|----------|--|
| 12-07-05 | TPI letter to KDHE requesting a Class 2 permit modification to update the Land Treatment Unit closure plan |
| 09-26-05 | KDHE letter to TPI responding to request for extension of time to submit well construction details for CMW-03 and CMW-04 |
| 09-23-05 | MWH letter to KDHE submitting a request for extension of time to submit construction details for wells CMW-03 and CMW-04 |
| 08-31-05 | MWH letter to KDHE submitting the 2005 Semiannual RCRA Groundwater Corrective Action report |
| 04-13-05 | KDHE letter to TPI approving the 2004 Annual Groundwater Monitoring report |
| 03-01-05 | MWH letter to KDHE submitting the 2004 Annual LTU Sampling report |
| 02-28-05 | MWH letter to KDHE submitting the 2004 Annual Groundwater Monitoring report |
| 12-09-04 | TPI submittal of a revised "Notification of Regulated Waste Activity" form |
| 11-22-04 | MWH letter to KDHE submitting notification that the replacement of recovery well RW-50 was completed and included a construction diagram of the new well |
| 11-16-04 | TPI submittal of a revised "Notification of Regulated Waste Activity" form |
| 10-01-04 | MWH letter to KDHE submitting list of Appendix IX constituents to be sampled during October 2004 sampling event |
| 08-30-04 | MWH letter to KDHE submitting groundwater level measurements to verify gradient reversal during replacement of Recovery Well RW-50 |
| 08-27-04 | MWH submittal of 2004 Semiannual RCRA Groundwater Corrective Action report |
| 08-18-04 | MWH letter to KDHE submitting notification of Recovery Well RW-50 replacement construction and verification of groundwater gradient reversal |
| 08-11-04 | KDHE letter to TPI responding to request for 30-day waiver for replacement of recovery well RW-50 |
| 05-19-04 | MWH letter to KDHE responding to KDHE comments on 2003 Annual Groundwater report and 2003 Annual LTU Soil Sampling report |
| 04-28-04 | MWH letter to KDHE detailing results of monitoring well development activities in monitoring wells WN-6B, WN-1B, WN-7B, MW-6, and CMW-4 |
| 04-06-04 | KDHE letter to TPI transmitting comments on the 2003 Annual Groundwater Monitoring report and 2003 LTU Soil Sampling report |
| 03-01-04 | Eneco Tech letter to KDHE submitting the 2003 Annual Groundwater Monitoring report |
| 03-01-04 | EnecoTech submittal of 2003 Annual Land Treatment Unit Soil Sampling report |
| 02-12-04 | TPI submittal of a revised "Notification of Regulated Waste Activity" form |

| | |
|----------|---|
| 10-30-03 | EnecoTech letter to KDHE submitting revisions to the Part B permit application due to replacement of monitoring well MW-17 |
| 08-29-03 | EnecoTech letter submitting the 2003 Semiannual RCRA Groundwater Corrective Action report |
| 03-01-03 | EnecoTech letter submitting the 2002 Annual LTU Soil Sampling report |
| 02-28-03 | EnecoTech letter to KDHE submitting the 2002 Annual Groundwater Monitoring report |
| 02-05-03 | KDHE letter to TPI approving revised Operations and Maintenance Plan and Engineering Feasibility Plan for Land Treatment Unit Soil Vapor Extraction/ Air Sparge system |
| 01-24-03 | KDHE letter to TPI approving of TPI's responses to the deficiencies listed in the Operations and Maintenance Inspection Report |
| 12-31-02 | KDHE letter to TPI requesting modifications to the Operations and Maintenance Plan for the Land Treatment Unit Soil Vapor Extraction/Air Sparge System |
| 12-13-02 | TPI letter to KDHE submitting notification of public notice for Class I permit modifications to the LTU Closure Plan, Contingency Plan, installation of recovery well RW-80A, and change in ownership |
| 11-14-02 | TPI letter to KDHE submitting a Class 1a permit modification to for revision of the contingency plan |
| 10-24-02 | EnecoTech letter to KDHE submitting notification of startup for the Land Treatment Unit Soil Vapor Extraction/Air Sparge System |
| 10-24-02 | EnecoTech letter to KDHE submitting notification of completion of replacement recovery well RW-80A |
| 09-19-02 | KDHE letter to TPI approving a Class 1 permit modification to update the LTU Closure Plan |
| 09-16-02 | EnecoTech letter to KDHE responding to KDHE comments on the May 2002 Groundwater Sampling report |
| 09-16-02 | EnecoTech letter to KDHE responding to KDHE comments on the 2002 Operations and Maintenance Inspection report |
| 08-12-02 | R&B Associates (RBA) letter to KDHE responding to comments on the Class 1a permit modification for the LTU Closure Plan |
| 07-31-02 | EnecoTech e-mail to KDHE submitting groundwater gradient reversal data during replacement of recovery well RW-80A |
| 07-26-02 | KDHE e-mail to TPI approving Class 1 permit modification request to replace recovery well RW-80A |
| 07-26-02 | KDHE letter to TPI providing comments on a Class 1 Permit Modification Request to revise the LTU Closure Plan |

| | |
|----------|--|
| 07-25-02 | KDHE letter to TPI transmitting comments on the May 2002 Groundwater Sampling report |
| 07-25-02 | KDHE letter to TPI transmitting the 2002 Operation and Maintenance Inspection report |
| 07-22-02 | KDHE letter to TPI approving Class 2 permit modification to add four additional recovery wells to the corrective action system |
| 07-16-02 | EnecoTech letter to KDHE submitting revised well boring and construction logs for monitoring well MW-17 and capture zone monitoring wells RCRA-7, 113,118, and MW-1002 |
| 07-10-02 | EnecoTech letter to KDHE submitting revised pages to the Engineering Feasibility Plan |
| 06-19-02 | EnecoTech submittal of 2002 Semiannual RCRA Groundwater Corrective Action report |
| 06-06-02 | KDHE (BOW) letter to TPI approves construction design for air sparging wells for Land Treatment Unit |
| 06-04-02 | EnecoTech letter to KDHE (BAR) submitting revised location map for KDHE Construction Approval Application |
| 06-04-02 | EnecoTech letter to KDHE (BOW) submitting revised location map for Authorization to Operate Air Sparging Wells at the Land Treatment Unit |
| 06-04-02 | KDHE letter to TPI approves the change in location for the air sparging wells at the Land Treatment Unit |
| 05-28-02 | EnecoTech letter to KDHE submitting revised Post-Closure cost estimates for Class 2 permit modification for additional recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 05-14-02 | EnecoTech letter to KDHE (BOW) submitting an Underground Injection Authorization application to Operate Air Sparging Wells at the Land Treatment Unit |
| 05-14-02 | EnecoTech letter to KDHE (BAR) submitting an Application for KDHE Construction Approval for the LTU AS/SVE system |
| 05-07-02 | EnecoTech letter to KDHE submitting RCRA Part B Permit Application Appendix P, Groundwater Sampling and Analysis Plan Revised Pages, Class 2 Permit Modifications for Additional Recovery Wells RW-45, RW-55, RW-65, and RW-75 |
| 05-02-02 | EnecoTech letter to KDHE responding to KDHE comments on modification of monitoring wells CMW-3 and CMW-4 resulting from the USACE Levee Improvement Project |
| 04-30-02 | EPA letter to KDHE submitting comments on the 2002 Operations and Maintenance Inspection Report |
| 04-23-02 | EnecoTech letter to KDHE submitting revised pages for the Part B permit application and the Engineering Feasibility Plan Revision 4 |

| | |
|----------|--|
| 04-22-02 | EnecoTech letter to KDHE submitting revised Groundwater Recovery Well Operation and Maintenance Plan |
| 04-22-02 | EnecoTech letter to KDHE submitting well plugging records for monitoring wells RCRA-7, 113 and MW-1002 |
| 04-19-02 | EnecoTech letter to KDHE submitting a report on the effectiveness of the new groundwater Recovery Wells (RW-45, RW-55, RW-65, and RW-75) |
| 03-25-02 | KDHE letter to TPI submitting comments on the Class 1 Permit Modification Permit request for the LTU Closure plan |
| 03-01-02 | EnecoTech letter to KDHE submitting the 2001 Annual Groundwater Report |
| 02-27-02 | KDHE letter to TPI submitting comments on the Work Plan for Modification of Monitoring Wells CMW-3 and CMW-4 resulting from the USACE Levee Improvement Project |
| 02-22-02 | TPI letter to KDHE submitting a Class 1 Permit Modification request for the LTU Closure Plan |
| 02-14-02 | EnecoTech letter to KDHE submitting a work plan for modifying monitoring wells CMW-3 and CMW-4 due to the USACE Levee Improvement Project |
| 02-14-02 | EnecoTech letter to EPA submitting data on sediment quality in the Walnut River |
| 02-04-02 | EnecoTech letter to KDHE submitting Groundwater Gradient Reversal report |
| 01-08-02 | EPA Environmental Indicator report on Current Human Exposures under Control (CA725) |
| 01-02-02 | National Pollution Discharge Elimination System (NPDES) permit |
| 12-04-01 | Ultramar Diamond Shamrock (UDS) letter to KDHE submitting notification of public meeting for Class 2 permit modification for construction of recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 11-16-01 | KDHE letter to UDS approving 180-day temporary authorization to construct and operate recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 11-07-01 | UDS letter to KDHE requesting a 180-day temporary authorization to construct and operate recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 11-07-01 | UDS letter to KDHE submitting a request for a Class 2 permit modification for construction of new recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 11-05-01 | EnecoTech letter to KDHE submitting the work plan for a Class 2 permit modification for construction of new recovery wells RW-45, RW-55, RW-65, and RW-75 |
| 09-26-01 | KDHE letter to UDS approving work plan for construction of monitoring wells MW-17 and replacement Capture Zone monitoring wells RCRA-7, MW-1002, 113, and 118 |
| 09-21-01 | EnecoTech letter to KDHE submitting work plan for construction of monitoring well MW-17 |

| | |
|----------|--|
| 09-21-01 | EnecoTech letter to KDHE submitting progress report for well treatment on recovery wells RW-40, RW-50, RW-60, and RW-70 |
| 09-20-01 | EnecoTech letter to KDHE submitting well designs for Capture Zone monitoring wells RCRA-7, MW-1002, 113, and 118 |
| 09-20-01 | EPA Environmental Indicator report on Migration of Contaminated Groundwater under Control (CA750) |
| 09-14-01 | EnecoTech submittal of 2001 RCRA Corrective Action Groundwater Monitoring report |
| 09-06-01 | UDS letter to KDHE submitting notice that UDS was merging into Valero Energy Corporation and requesting advice on changes in Financial Assurance |
| 08-28-01 | EnecoTech letter to KDHE submitting notification to relocate recovery well RW-80A and monitoring wells CMW-1, CMW-2, CMW-3, and CMW-4 due to USACE levee improvements |
| 08-23-01 | EnecoTech letter to KDHE submitting groundwater levels in Capture Zone monitoring wells and presenting plan for replacement Capture Zone monitoring wells RCRA-7, MW-1002, 113, and new well 118 |
| 06-18-01 | RBA submittal of Ark City Refinery Technical Memo for Evaluation of contamination at 3B Lagoon |
| 03-01-01 | EnecoTech submittal of 2001 Annual Land Treatment Unit Sampling report |
| 02-28-01 | EnecoTech submittal of 2000 Annual Land Treatment Unit Closure Sampling report |
| 01-31-01 | EnecoTech submittal of 2001 RCRA Corrective Action Groundwater Monitoring report |
